Re: Nebraska Broadband Mapping Program:

Request signed NDA by Feb 10, 2010
Request Service Coverage Data by Feb 19, 2010

Dear Salutation,

The Nebraska Public Service Commission (NPSC) together with its contractor Apex CoVantage is implementing NTIA's State Broadband Data Collection and Mapping Program which is a part of the Broadband Data Improvement Act of 2008. A key component of this program is the collection of Broadband Service coverage information from the service providers in Nebraska. See press release issued by NPSC http://www.psc.nebraska.gov/home/NPSC/NTIA/NTIA_Grant_Awarded.pdf

Attached is our service coverage data request template and a Nondisclosure Agreement (NDA) which is designed to ensure the confidentiality of the data supplied to Apex by service providers and limit its use to the guidelines specified by the NTIA. If you believe the data you are required to provide is confidential, please sign the attached NDA, and return it no later than **February 10, 2010** by fax or by email to:

Mr. Shane Harrison
Apex CoVantage
Email: sharrison@apexcovantage.com
Tel: +1 (703) 389-5528
Fax: +1 (703) 439-2550

In addition, we request that you submit your data in the attached template no later than **February 19, 2010**. Details for uploading data to a secure website will be provided next week.

The NPSC is hosting a meeting in Lincoln, Nebraska on February 9, 2010 with two sessions. The first session begins at 10:30 am CST and is an overview of both the Grant Program and the Nondisclosure Agreements. The second session begins at 1:00 pm CST and will provide a more detailed discussion of the Mapping Grant and the data collection
